Presentation Hall:

- A maximum of **50 people** will be allowed into the presentation hall at all times.
- Attendees may only enter the presentation hall with a marked wristband.
- No food or drink is allowed inside of the presentation hall.

Submission:

- Projects must be started and completed during the hacking period.
- If your project is unfinished, **submit it!** Unfinished projects are common at hackathons.
- Projects are submitted to Devpost for judging, along with a short video demo/description.

Second Day:

- The Presentation Hall is not available to RiverHacks attendees until 3:00 pm on the 21st.
- Please utilize the surrounding **marked classrooms** to continue working on projects.

Mentors:

- **Mentors are available** and eager to help you as you build your project!
- Mentors will have marked wristbands and will be available virtually and in-person.

Judging:

- Projects will be graded based on the criteria outlined on Devpost.
- Special preference will be given to projects that fall under the theme announced during opening ceremony.
- After points are tallied, the top 3 teams will be notified to present their projects in front everyone during the closing ceremony.
- Prizes will be awarded to the **winners and swag** will be passed to all attendees.

Raffle:

- Every time you attend a workshop, participate in a mini-event, or **donate to RiverHacks**, you'll receive a virtual raffle ticket!
- The two winners of the raffle will be announced during the closing ceremony.

Food:

- Snacks, food and drinks will be provided to attendees free of charge.
- Attendees are highly encourage to bring their own lunch, since food will be limited
- If you are able to **donate to cover** the cost of your meal, it would be greatly appreciated.
